Welcome back to a new term! Last term ended on a happy and positive note with the Australia Zoo excursion and our last day at Theebine SS. I hope all families and students have had a well-deserved two week break and ready to rock and roll for another 10 weeks.

Term 3 will be full of achieving goals, reaching targets and enjoying ourselves while we learn (like usual). Parents are always encouraged and welcomed to be a part of the school events and activities as well as help out with cooking, gardening and reading club. Please see myself if you'd like to start helping out.

Reading
A fun reading activities afternoon has been planned for parents and students to participate in for approximately 30 minutes. After school on Thursday 28th July from 3.15pm parents will experience some of the interactive reading activities the students complete in reading groups. This is a fun afternoon.

Positive Behaviour for Learning (PBL)
Today is our first meeting since last term. All parents are welcome to attend. The meeting will run from 3.15-4pm.

We are reviewing the student sticker rewards, analysing the behaviour data from Term 1 & 2, discussing ideas for a school mural and discussing a display of our rules along the driveway.

Technology and Dioramas
All students need 2 cans for a technology design. All cans need to be safe, no sharp edges, and clean and dry. Soup cans, spaghetti cans, baked bean cans and tomatoe cans are the best.
Prep/Year 1/Year 2 students will also need a shoe box to make a diorama for English.

Miss Rebecca Brown

Tennis is on every WEDNESDAY afternoon 3-4pm!
