Principal’s Message
This week Gundiah State School is hosting our first Cricket Match for the small schools. This is yet another great opportunity for our school to fundraise, show the community how great Gundiah is and get involved in a fun day. The students, staff and I would love to see all the parents playing cricket on Friday and having fun with the kids. BBQ lunch orders for the day have gone home and are due back on Friday morning. Everyone is welcome!

LIBRARY BOOKS!!! LIBRARY BOOKS!!! LIBRARY BOOKS!!!
Has your child borrowed books this week?
Does your child know where their library bag is?
Library borrowing has always been on TUESDAY this year.
Some students have not borrowed a book all term. This concerns me if we are trying to create leaders for the future.

Readers are leaders!

Homework
This week’s math’s focus is chance and data. All Year 1-6 students have homework focusing on surveying people on a question of their choice. Please support your child in undertaking this survey. After surveying the students on Monday, 50% of students indicated that they didn’t get enough sleep the night before. This reiterates my message last week about getting rest and enough sleep to last the rest of the term.

Please also keep practicing the spelling bee words at home as well.
Students will be reassessed on their words in week 9.

Parent Surveys
Thank you to all the parents who have completed our online school opinion surveys already. The more parents that complete these, the better our data will be to help improve our school in the future. If you haven’t received your unique confidential log on and password, please see the office ASAP. You are welcome to come up to the school while the students have their tennis lessons to complete on the computers in the classroom. Surveys must be completed by this Friday - 25th August.

Miss Rebecca Brown

P&C News
NEXT MEETING: 6th September 2017 at 3.15pm
The P & C are always interested in fundraising and event ideas. Could you help us raise funds or write grants? All funds raised go towards things like subsidising school excursions and experiences, classroom equipment and resources and towards new facilities as well as purchasing the end of year book gifts for the children.
We are currently looking for volunteers to help at the cricket day Fri 25/8, Bunnings Sausage Sizzle Sat 26/8 and the Munna Creek Music Festival Oct 19, 20 and 21. Any help would be much appreciated and it goes towards a worthwhile cause.

Father’s Day Raffle - $1 a ticket, to be drawn on 2nd September at Bauple Nut Bash.
**Upcoming Events**
