Principal’s foreword

Introduction

Welcome to Gundiah State School. This report outlines the focus of 2015 within the school and what has been achieved as well as providing us direction for 2016.

Our purpose at Gundiah State School is to help prepare the children for their futures in a family orientated, small school environment. Children are encouraged to be responsible for their learning and behaviours. The curriculum offered at the school combines innovation with good old fashioned teaching and learning opportunities. In this manner the children are exposed to a range of learning situations and environments that we believe will help them reach their potential as lifelong learners.

The strategic directions we continue to implement are: quality teaching and learning; student engagement, parent and community participation, student wellbeing; a professional and accountable workforce.

School progress towards its goals in 2015

The school has been able to meet all its strategic goals set out in the 2015 Annual Implementation Plan.

Future outlook

The futures outlook for Gundiah State School Community is extremely positive. Our expert teaching team continue to refine and develop curriculum offerings based on the needs of each individual student. The key priorities for 2016 are:

✔ Implement the Australian Curriculum
✔ Implement whole school pedagogical practices
✔ Using data to inform teaching practice
✔ Embed a balanced reading program and develop a ‘Success School’ strategy
✔ Develop productive partnerships with students, staff, parents, and the community
✔ Improve school performance
✔ Plan to transition Kindy to Prep and Year 7 to high school
Our school at a glance

School Profile

Coeducational or single sex:  Coeducational

Independent Public School: No

Year levels offered in 2015:   Prep Year - Year 6

Student enrolments for this school:

<table>
<thead>
<tr>
<th></th>

<td>8</td>
<td>1</td>
<td>94%</td>
</tr>
</tbody>
</table>

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2015, there were no students enrolled in a Pre-Prep program.*

*Pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school ([http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html](http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html)).

Characteristics of the student body:

Gundiah State School services the small township of Gundiah and surrounding areas. The student’s families are primarily involved in primary production with the nearest major centre being Maryborough. Throughout 2015 Gundiah State School had a reasonably static enrolment with no transient students and new enrolments came from current established families in the district.

Average class sizes

<td>0</td>
<td>0</td>
<td>0</td>
</tr>
<tr>
<td>Cancellations of Enrolment</td>
<td>0</td>
<td>0</td>
<td>0</td>
</tr>
</tbody>
</table>

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Curriculum delivery

Our approach to curriculum delivery

Gundiah State School sets high expectations of student learning, with a focus on developing independent learners in literacy and numeracy skills. Our multi-age classrooms also provide unique opportunities for social learning and individualised learning to occur.

Students are provided with opportunities to continuously investigate and problem solve, whilst developing their literacy and numeracy skills. They are encouraged to apply these understandings to our other Key Learning Areas such as English, Maths, History, Geography, Health, Physical Education, The Arts, Science, Technology and Languages Other than English (German) offered to all year levels.

Extra curricula activities

Gundiah State School provides students with a range of extra curricula activities, including; sport, performing arts, community events and many more. The students participated in the following:

- Cluster Sports Days and Interschool Sport (Cross Country and Athletics)
- Interschool Netball Tournament
- Whole School excursions
- Arts Council
- Guitar Lessons
- Year 3-6 Camp to Canberra and the snow
- Before School Reading Club

How Information and Communication Technologies are used to improve learning

Computers and other technologies are used to enhance and complement the planning, teaching and learning in all curriculum areas in a meaningful and authentic manner. Children who have an interest in use of computers are encouraged to explore and develop their talents.

Gundiah State School has 7 computers, 7 laptops and 6 iPads which are utilised by all students. We utilised several web-based programs with investment in ‘Mathletics’ and ‘Reading Eggs’ to enhance learning. The school also utilises many free websites, The Learning Place and other information sources to inform and reinforce learning.
Social Climate

Gundiah State School is very proud of the fact that it provides a warm, supportive environment where all students are given the best opportunity to reach their potential. The school has a wonderful feel that makes all students, parents and visitors feel free to be themselves and be part of a ‘big family’. The school has a strong support from its P&C and community, emphasised by fortnightly Tuckshop provided by parents on a rotational basis. All families participate and enjoy sharing lunch and our school environment.

The dynamic, flexible curriculum provides enriching and challenging activities designed to encourage thinking skills, independent learning and the development of talents. The children are encouraged to develop tolerance of others, especially younger children, and to make allowances for their varying abilities and interests. The multi-age classroom allows for opportunities to extend those with more advanced skills and provide additional support for those who may require more time to consolidate conceptual understanding.

Gundiah’s Responsible Behaviour Plan outlines the schools expectations are--

- Be Safe
- Be Respectful
- Be Responsible

Parent, student and staff satisfaction with the school

## Parent and Community Engagement

At Gundiah in 2015, parents were actively involved in their child’s education through both direct and indirect contact. Parents are encouraged to be involved in the educational and emotional growth of their child. Regular information about all aspects of the students’ activities and learning are issued via newsletters, notice boards and letters. Parents have the opportunities to participate in:

- P&C Association
- Classroom Volunteers
- Tuckshop
Reducing the school’s environmental footprint

At Gundiah State School solar panels were used to create a minimal environmental footprint. Through the installation of the solar panels and an awareness to conserve energy we have greatly decreased our power bills in 2015.

Being a rural community all students and staff are fully aware of the importance of water conservation and demonstrate terrific water conserving habits to make sure our tank and creek water is used appropriately.

<table>
<thead>
<tr>

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2015 were $5,900.

The major professional development initiatives are as follows:
- Leadership Training
- Regional Principal Meetings
- Principal’s induction
- State Principal’s Conference
- WH&S Training
- First Aid Training
- Mandatory EQ training
- ASoT (The Art and Science of Teaching) training

The proportion of the teaching staff involved in professional development activities during 2015 was 100%.

</tbody>
</table>

*From 2013, the methodology used for calculating attendance rates effectively counts attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, Managing Student Absences and Enforcing Enrolment and Attendance at State Schools and Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

At Gundiah State School processes are implemented when an unexpanded absence consists for more than three consecutive days. Newsletter articles are included in newsletters to inform parents and students of their compulsory schooling obligations. The Principal follows up any unexplained or unacceptable absences.
National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at http://www.myschool.edu.au/.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following ‘Find a school’ text box.

Where it says ‘School name’, type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the Terms of Use and Privacy Policy before being given access to the school’s profile webpage.

School NAPLAN information is available by selecting ‘NAPLAN’ in the menu box in the top left corner of the school’s profile webpage. If you are unable to access the internet, please contact the school for a paper copy of our school’s NAPLAN results.
